# Book Introduction

In a world where privilege and power shape destinies, young Akmal finds himself at a crossroads. Raised in luxury, he has been given everything—except the discipline and guidance he desperately needs. His behavior spirals out of control, leaving his parents helpless and society unsure of what to do with him. But when Akmal is sent to a boarding school led by the mysterious Mr. John, everything begins to change. What starts as a journey of resistance soon becomes one of self-discovery, as Akmal is drawn into a web of hidden secrets and complex relationships. Along the way, he finds himself torn between two powerful figures—one who seeks to guide him and another who thrives on manipulating him. As friendships are tested and loyalties shift, Akmal must confront not only the people around him but also the person he is becoming. In a battle between the forces of influence, will Akmal choose the path of redemption or be consumed by the very darkness that threatens to take over? This is a story of brotherhood, manipulation, and the quest for identity, set against the backdrop of a world where nothing is ever as simple as it seems.

# Born into wealth

Akmal is a 7-year-old spoiled rich kid. He is very arrogant and disrespectful. He is on his PC and mobile 24/7. He has access to everything around him. He has zero interest on how to live his life properly. He is very abusive and if someone tries to stop him from being abusive, he starts to get extremely frustrated and throw tantrums. His parents are very worried about his rude and unacceptable behavior, but they are helpless because if they punish him, he cries out loud and becomes unmanageable.

## Clash of Attitudes

**Akmal:** Mom where is my PS5, I want to play *Valorant*

**Mom:** Dear! I don't know, Go find it by yourself.

**Akmal:** What? This is not my job! you're my mom; it's your duty

**Mom:** Watch your tone, Akmal! This is not the way to talk to your elders you should behave yourself

**Akmal:** \*Starts Crying\*

**Mom:** Okay, relax let me find it

**Akmal:** Yes, go find it.

**Mom:** \*hands over the PS5 to Akmal\*

**Akmal:** Next time you better do what I say, otherwise I will hurt myself

**Mom:** Akmal, why are you like this? the way you behave is very inappropriate. You should not behave like this.

**Akmal:** \*Starts abusing\* What do you expect me to do. I will do whatever I want. Go get your chores done and leave me alone.

**Mom:** \*Controls her tears and goes out of the room\*.

## Sweet 16

"Akmal is now 16 years old and more spoiled than ever. He parties a lot, drinks alcohol, gambles, objectifies women, and has a girlfriend whom he regularly abuses, treating her less than human."

## A New Chapter

"Today is Akmal's 16th birthday. He is very excited for his grand party. He woke up at 8:00 AM and began playing his favorite game, 'Valorant.' He didn't realize that his parents weren't at home. He played for five hours nonstop.

*\*The doorbell rings\**  
He furiously smashed his mouse and opened the door to find a tall man standing there, gazing at him with a fierce expression."

**Man:** What was that noise?

**Akmal:** \*Out of rage\* It's none of your concern. This is my house; I can do whatever I want. You tell me, who are you? Why are you here?

**Man:** My name is Mr. John, and I am here to take you with me, so hurry up and pack your bags.

**Akmal:** What? No way! I am not coming with you, where are my mom and dad?

\*His parents arrived\*

\*Akmal stomped his feet angrily and said\*

**Akmal:** How can you do this to me? Today is my birthday and you're sending me to a boarding school!

**Mom:** Happy Birthday dear! And this is your birthday gift. Now that you're 16 you must take control of your life, and this gentleman will help you and buy you whatever you want.

**Akmal:** Really? Mom? This is amazing!

"He goes into his room and packs his bags and leaves his house"

\*Arrives at the boarding school\*

**Mr. John:** \*Hands Akmal a rule book and orders\* You better follow all the rules, or you will face serious consequences.

**Akmal:** \*Cowardly replies\* But my mom told me you're going to give me everything I demand.

**Mr. John:** For that you must follow my rules and do your tasks properly.

**Akmal:** \*Feeling scared\* OK

Akmal opens the rule book and realizes that the rules include not crying and controlling his anger, or he will face physical punishment.

This marks a new start for Akmal, as his parents are no longer there to tolerate his behavior and endure his tantrums.

Mr. John is 34 years old man who got divorced at 26 because his wife turned out to be a gold-digger. He lost his parents at 21, which motivated him to build his empire at very young age and achieve wealth. He is tall and has brown skin. He married Rosie at 24, but due to her wife behavior he divorced her at 26. Mr. John is a soft-hearted person, but when it comes to discipline, he is very strict. At 27, he established a boarding school for children who are particularly spoiled. He has successfully trained and guided up to 100 kids onto the right path. His next challenge is the 16-year-old Akmal, who is abusive and extremely stubborn.

## First day First Friend

Akmal awoke up at 11'o clock, finding Mr. John standing over him. His expression became stern He angrily asked

**Mr. John:** Why are you so late? you must wake up at 7:00 am sharp. Since this is your first day, I'll let you off with a warning

**Akmal:** What is your problem? You're extremely annoying. Why don't you just leave me alone?

**Mr. John:** First of all, watch your tone, secondly, I am not your parent, who allows you to do as you pleased. This is a boarding school where I teach and guide troubled kids like you

on the right path. So, you'd better adjust your attitude—unless you're looking for trouble.

**Akmal:** Oh yeah? What are you going to do, punish me? Go ahead! I don't care.

**Mr. John:** \*Smirked and responded\*As your wish. Go change yourself I have a surprise for you downstairs.

**Akmal:** Yeah whatever

\*He went to change and reluctantly came downstairs\*

\*To his shock, He found a large group of students standing in a queue \*

**Mr. John:** Good morning, my lovely students. Today, a new friend has joined us—Akmal. Unfortunately, he didn't follow the very first rule of the Rule book which is to refrain from abusive language. Therefore, he will have to learn a lesson.

\*Mr. John grabbed Akmal by the arm, dragged him to the front, and struck his hand with a hard wooden stick\*

\*Akmal screamed out of pain\*

**Mr. John:** I hope you now understand that disrespect and abuse will not be tolerated here. I hope this serves as a reminder to all of you, so behave or there will be consequences.

**Akmal:** \*Holding his tears\* I am sorry I wouldn't do this again

**Mr. John:** You'd better not. Now, students, proceed to your classes and prepare for your upcoming exams.

**Akmal:** \*nervously asked\* Sir? What Exam? When will it be conducted?

**Mr. John:** It will be conducted after 3 weeks

**Akmal:** What?? Only 3 weeks. How can I cover 6 subjects in 3 weeks? This is impossible!

**Mr. John:** Take notes from your class fellows and start preparing for exams. Now go to your class and Good Luck!

**Akmal:** \*Went to his class 11 C and sat beside another kid\*

**Other Kid:** Hey, buddy! I am Hadi and you're the new kid Akmal right?

**Akmal:** Hmm, so what?

**Hadi:** Oh, you're just like my past self.

**Akmal:** So, what do I do? I don't care so shut your mouth

**Hadi:** Hey, buddy its ok relax.

**Akmal:** I will relax if you keep your mouth shut

**Hadi:** \*smirked\* OK

For the first time Akmal realized his behavior and he apologized

**Akmal:** Ok sorry!

**Hadi:** Oh, so friends?

**Akmal:** What friends? I hate friends, they all are so mean and are gold-diggers

**Hadi:** Listen your story is just like mine. I can understand and I will help you. Just be confident and be yourself, you don't need to worry.

**Akmal:** \*smiled\* This is the first time someone said something nice to me

**Hadi:** So, friends?

**Akmal:** \*laughed\* yes.

\*Teacher came into the classroom\*

**All students:** \*Stands up excitedly\* Good Morning Sir Arsalan

**Sir Arsalan:** Good morning lovely students.

\*Stares at Akmal and said\* Come here Akmal. Introduce yourself

**Akmal:** \*irritably responded\* Hello my name is Akmal. I am 16 and my parents forced me to go to this hell

**Sir Arsalan:** Its ok dear! I can understand you. You missed your PS5?

**Akmal:** Yes, so much

**Sir Arsalan:** Ok than I promise that if you behave well in class, I will let you play with my PS6

**Akmal:** Really sir? You have PS6. Oh, that's amazing I will do my best then

**Sir Arsalan:** \*smiled\* No problem, dear! Now go and start focus on the exam

**Akmal:** Thanks sir!

Sir Arsalan is a substitute teacher. He is 24 years old currently completing his internship. He is doing master's in software engineering. He believes in power of softness and calmness. He deals with kids with kindness and motivates them so much that's why the students love him so much. He had so much trauma in his past, because everyone treated him so badly even his parents let him down in front of his relatives and friends that's why he decided to deal kids with kindness because he doesn't want to make someone feel the way he felt.

### **The Bonding**

Akmal woke up early at 5:00 Am and went to the park for jogging where he saw Mr. John jogging. Mr. John were surprised to see Akmal. He came to Akmal and asked in a serious tone+

**Mr. John:** How did you get up so early?

**Akmal:** \*mumbles\*

**Mr. John:** What did you say?

**Akmal:** Nothing Sir! I decided to wake up early and start jogging like I used to when I was younger.

**Mr. John:** Why did you stop jogging

**Akmal:** Umm..... because of my childhood trauma.....

**Mr. John:** \*raises an eyebrow\* What childhood trauma?

**Akmal:** \*reluctantly\* Some kid thought I was mocking his sister... she was disabled, so He beat me up. After that, I swore I wouldn't let anyone hurt me again. So, I fought back, changed who I was

**Mr. John:** It doesn't mean you have to fight and be disrespectful to other.

**Akmal:** You would never understand me, Mr. John.

**Mr. John:** It's not like that I do understand you and genuinely want to help you.

**Akmal:** Really? You want to help me?

**Mr. John:** Of course I want to

**Akmal:** Then why don't you leave me alone

**Mr. John:** \*Pats on Akmal's head and responded calmly\* Its ok, if you need something let me know.

\*Mr. John walks away, leaving Akmal both surprised and shaken by the sudden warmth in his behavior\*

## Ultimate Betrayal and conflict

Akmal was very surprised by the sudden change of tone in Mr. John. He was so shocked that he arrived early at assembly hall. He was 15 minutes early. After 15 minutes students are started to come and saw Akmal is early at assembly. All the students were very shocked, and Mr. John was staring at Akmal with a smirk and feeling proud. Hadi was also very shocked

**Hadi:** \*pinched Akmal and asked sarcastically\*  
Who are You?

**Akmal:** \*hits Hadi softly\* Are you crazy I am  
Akmal.

**Hadi:** Wait..... Really? that's so unexpected,  
you're early today.

**Akmal:** Hmm, so what's the big deal?

\*Mr. John interrupted both\* Be silent both of  
you.

**Both:** \*responded\* Sorry Mr. John

**Mr. John:** \*smirked\*

\*Assembly ended and everyone went to their  
classes\*

**Hadi:** Mr. John is very strict yet so interesting  
because of his mysterious personality.

**Akmal:** He is a little bit weird to be honest

Mr. John enters the class, and both get scared.  
\*Mr. John approached to both and asked\*

**Mr. John:** Akmal what makes me a little  
weird?

**Akmal:** No sir I was just joking pls forgive me

**Mr. John** \*responded sarcastically\* Well today  
is your lucky day. Have fun

\*Then Mr. John addresses the student\*

Good morning students! I hope you all are doing  
good. Today we have a very special guest joining  
us, Please Welcome, your new class teacher Mr.  
Affan.

\*Everyone starts clapping\*

\*Mr. Affan enters the classroom

**Mr. Affan:** Well Thanks a lot John and everyone. I am so excited to be here and implement some new rules too.

**Akmal:** \*Asked to Mr. John\* Mr. John but our class teacher is Sir Arsalan. Where is he?

Before Mr. John responded Mr. Affan interrupted and spoke

**Mr. Affan:** Oh well hello little champ, you must be John's favorite student Akmal, right?

**Akmal:** \*in total shock\* What? Favorite?

**Mr. Affan:** Oh yes, he talks about you all the time

**Mr. John:** \*frowns but remain silent for a moment and then responded\* Everyone be respectful and try not to break the rules. \*Turns to Akmal\* He is here to help you

\*Mr. John left the class\*

**Mr. Affan:** Students it's time for you to have a free period today I won't give lecture as your syllabus is covered

**Akmal:** But sir what about me? I just joined this school, and only 10 days left for the final exam.

**Mr. Affan:** \*smirks\* Oh don't you worry about your exams; I am here to help you. Just come with me outside.

\*Mr. Affan and Akmal walks out of the class\*

**Mr. Affan:** Do you know I am John's brother?

**Akmal:** Really?

**Mr. Affan:** Yes, I am.

**Akmal:** Can you tell me about him?

**Mr. Affan:** \*smirks\* Of course

**Akmal:** \*curiously asked\* Why is he like that?

**Mr. Affan:** John is very oppressive. He always tries to be so mature, but he isn't. That's why his wife Rosie divorced him after being in a toxic marriage with him for two years.

**Akmal:** What? Divorced?

**Mr. Affan:** Yes, he just wants to control everyone that's why he made this boarding school to control students

**Akmal:** But I guess he is changing

**Mr. Affan:** No he is not, He is just making you obedient so that he could control you just like other students like Hadi

**Akmal:** No, Hadi is not under control

**Mr. Affan:** He is under control, even John told him to be your friend. He is just making you obedient but fortunately I am here to help you, and you'll help the rest of the students

**Akmal:** Yes, I will

\*After talking to Mr. Affan Akmal started to doubt his surroundings. He also started to doubt on Hadi\*

**Hadi:** \*approached Akmal\* Hey buddy! What happened?

**Akmal:** \*Angrily pushed Hadi\* Stay away from me

**Hadi:** What? Why are you fighting?

**Akmal:** It's none of your business. Stay away from me for now on.

\*Hadi left the classroom crying and Mr. John saw and approached Akmal\*

**Mr. John:** \*with a stern expression\* Akmal why did you pushed Hadi. Isn't he your friend?

**Akmal:** Shut up!

**Mr. John** \*shocked\* Akmal behave yourself!

**Akmal:** Oh, you're going to punish me. This is the only thing you can do. You know what this is reason why your wife left you. You are so arrogant.

"Mr. John stood there, unbelievably stunned. His face tightened with hurt as his eyes filled with sadness. Without saying a word, he turned and walked away, his heart clearly heavy with disappointment."

**Mr. Affan:** \*approached Akmal\* Well done Akmal. You did a very good job. Let me just give you something. \*Hands over the bottle of wine to Akmal\*

**Akmal:** Wine? Sorry I can't drink it

**Mr. Affan:** Of course you can. We will drink it and party tonight.

**Akmal:** \*Got excited\* Yes, we would have so much fun.

Hadi listened all the conversation between Mr. Affan and Akmal and heads to Mr. John, seeing him feeling upset.

**Hadi:** Mr. John

**Mr. John:** Yes, Hadi what happened?

**Hadi:** I know you're sad because of Akmal, but there's something you need to know

**Mr. John:** What? Say it

**Hadi:** Mr. Affan is manipulating Akmal against you and me. He was the one who told Akmal about your divorce.

**Mr. John:** I should have not trusted him; I knew it he will do something like that.

**Hadi:** Don't worry sir I will fix this

**Mr. John:** \*smiles\*

**Hadi:** Sir one more thing, Mr. Affan is influencing Akmal to drink alcohol

**Mr. John:** \*In rage\* I won't let that happen.

Thanks, Hadi, for letting me know I'll handle both of them.

Mr. Affan is Mr. John's younger brother who is 28 years old. Mr. Affan was just like Akmal. He was also very spoiled. After the death of their parents Mr. John took care of Mr. Affan because he was 15 at that time but he never realized how much his brother loved him, instead he blames his brother for their parent's death. That's why

he's trying to manipulate Akmal because he isn't fully disciplined and its easy for Mr. Affan to manipulate him.

### **The Plan**

Mr. John and Hadi arrived at Akmal's room before Mr. Affan.

**Mr. John:** Is it a good time to talk with you?

**Akmal:** Hmm, what's your problem?

**Hadi:** You are the problem, are you thinking straight? Why can't you understand that little s..... \*Mr. John clears his throat\* I meant to say Mr. Affan is manipulating you against us.

**Mr. John:** \*sarcastically responded\* Just like a stupid hero in movies

\*Both replied at the same time\* You know about movies?

**Mr. John:** Of course I know. I watch movies at my free time

\*Again replied\* Seriously? You watch movies? We thought that you read books on how to control students.

**Mr. John:** \*laughed\* No

**Akmal:** Umm so you're not trying to control me or anyone?

**Mr. John:** No, I am just here to help you because.....

\*Both get curious\* Tell us the story please.

**Mr. John:** I was 21 years old and Affan was 15 when we both lost our parents. He was just like

Akmal. Abuses, parties a lot, drink alcohol and everything. So, I decided to help him and get him on the right track but unfortunately it was too late he went too far. So, I unfortunately abandoned him that's why he hated me. He even tried to end my marriage by bribing my wife, so I divorced her. But after years of hatred, few days ago he apologized, but I didn't realize that he would end up doing this.

**Akmal:** \*Apologized\* I am so sorry I said that to you

**Mr. John:** \*smiles\* It's ok I understand

**Akmal:** I don't have any brother. Will you both be my brothers? Mr. John as my big brother and Hadi as my little brother

\*Both get emotional\* Yes, we will

\*All of them shared a tight hug\*

### **Comeback of Sir Arsalan**

Due to personal issues sir Arsalan took a break, that's why Mr. Affan manipulated his brother Mr. John and took his position. Sir Arsalan approached Mr. John and argued with him

**Sir. Arsalan:** Mr. John (call him twice)

**Mr. John:** Oh, Arsalan you're back

**Sir. Arsalan:** Of course I am, but I told you not to give my position to anyone. And you give it to that Affan. I told you about him, He's not a good person. Why did you give him my position?

**Mr. John:** Arsalan I told you, he apologized to me, and you know he's my younger brother.

**Sir Arsalan:** So, what if he's your brother. He is not good.

**Mr. John:** I know I am sorry. I didn't know until Hadi told me that he saw manipulating Akmal.

**Sir Arsalan:** Oh no this is not good. He's after Akmal. You know he will try his best to manipulate him again.

**Mr. John:** Don't worry I already warned Akmal about him

**Sir Arsalan:** And you think he will stop there? Mr. John Affan is very clever, he will find another way to manipulate him.

**Mr. John:** Don't worry I will handle him.

**Sir Arsalan:** Seriously? You will handle him? In my experience I haven't seen you manage handling anything. If you would've handled things, he wouldn't have been in my position right now

**Mr. John:** Enough Arsalan, Stop it. I know you're worried because of Akmal, but it doesn't mean you have the right to say that to me.

**Sir Arsalan:** Its funny how I thought you would think about me and will never let anyone take my place, but I was wrong. Of Course, he is your brother, and you'll take stand for him.

\*Sir Arsalan left Mr. John emotional\*

After the argument Mr. John felt so disappoint and heartbroken. He started to blame himself. Mr. Affan was watching all of this and was smiling. He approached Mr. John

**Mr. Affan:** It's so sad that Arsalan has started to hate you

**Mr. John.** \*Furiously replied\* Shut up Affan. This is all because of you. I shouldn't have listened to you.

**Mr. Affan:** This is not my fault!

\*Hadi and Sir Arsalan interrupted Mr. Affan\*

**Hadi:** You betrayed Mr. John, so shut up

**Mr. Affan:** \*smiled\* Listen kid this does not involve you. You should stay away from this or else you'll face big consequences.

**Hadi:** This is my problem; you're using my friend for your own good. I won't let that happen

**Mr. Affan:** Ok Fair enough, if you really want to be involved in this after all then be ready for major consequences

**Sir Arsalan:** Stop fighting with kids Affan. Fight with us

**Mr. Affan:** With whom?

**Sir Arsalan:** Me and Mr. John.

**Mr. Affan:** Oh, but I thought you two are fighting

**Sir Arsalan:** He will always be my big brother. I won't leave him alone even if we are fighting

**Mr. Affan:** Aww! That's so sweet. But you know right, every student likes me here it'll be difficult for John to fire me or fight against me

**Hadi:** We'll see about that. You should go now; we don't want your bad company around us.

**Mr. Affan:** \*laughed\* I see you're being protective, I kind of like that these two are using 16-year-old to defend themselves

**Hadi:** Just shut your mouth and leave

\*Mr. Affan leaves with a wicked smirk\*

**Mr. John:** \*in a serious expression\* Hadi behave yourself, you should not talk to him like that. He's your teacher.

**Hadi:** Sorry sir I can't myself when he's around

**Sir. Arsalan:** I agree, he doesn't deserve that respect.

**Mr. John:** Still, you shouldn't behave like that

**Hadi:** Ok sir as you say.

\*Mr. John approached Sir Arsalan for a hug, but he refused\*

**Sir Arsalan:** Sorry I don't feel good right now I need to rest. \*leaves\*

**Mr. John:** \*cries\*

**Hadi:** Mr. John don't worry, Sir Arsalan will understand eventually, he just needs time

**Mr. John:** I need some time as well

\*Mr. John leaves\*

**Hadi:** \*feels sad\*

## The Exam.

Today is the day of final exam and Akmal is feeling anxious because of exam. Hadi approached Akmal

**Hadi:** Hey buddy! All good?

**Akmal:** No Hadi I am too scared because of my exam. You know this is the first time I am this worried about an exam.

**Hadi:** And why is that?

**Akmal:** It's because I failed my exam multiple times, but my parents always have given a hefty amount to promote me to next class. Now I realize how ungrateful I was to my parents.

**Hadi:** Buddy don't blame yourself. Just be happy that you have changed now.

**Akmal:** Thank You so much Hadi for having my back. I can always count on you.

**Akmal:** Yeah of course, your notes can help me pass. I just want to be promoted to 12<sup>th</sup> with you

**Hadi:** \*laughed\* Yeah don't worry you will

\*Mr. Affan interrupted both\*

**Mr. Affan:** What you two are laughing at?

**Hadi:** You

**Mr. Affan:** \*tightened his grip on Hadi's neck, his voice dripping with anger\*

**Mr. John:** \*slaps Mr. Affan\* What are you doing Affan?

**Mr. Affan:** How can you slap me john? Don't you see? This little kid is laughing at me

**Akmal:** That doesn't mean you should grab him by his neck. He's just a kid

**Mr. Affan:** These two are using you

**Akmal:** If that's what they are doing, I want to be controlled by them. In fact, I am tired of your manipulation. Stop it.

**Mr. Affan:** You'll regret this

**Akmal:** Fair enough. I am ready for that. Just leave.

**Mr. Affan:** Don't worry I'll be back soon

\*Left the school with anger\*

\*Everyone got shocked\*

**Akmal:** Sorry Mr. John and Hadi. I should have never doubt on you two. Sir Arsalan told me everything about Mr. Affan.
